

**RESOLUTION RE-ADOPTING THE GUIDELINES AND CRITERIA FOR GRANTING TAX PHASE-IN  
IN A REINVESTMENT ZONE CREATED IN WASHINGTON COUNTY**

**WHEREAS**, the creation and retention of job opportunities that bring new wealth to the community is a high civic priority; and

**WHEREAS**, new jobs and investment will benefit the area economy, provide needed opportunities, strengthen the real estate market and generate tax revenue to support local services; and

**WHEREAS**, the communities within Washington County must compete with other localities across the nation currently offering tax inducements to attract new plant and modernization projects; and

**WHEREAS**, any tax incentives offered in Washington County would reduce needed tax revenue unless strictly limited in application to those new and existing industries that bring new wealth to the community; and

**WHEREAS**, any tax incentives should not affect the competitive position of existing companies operating in Washington County; and

**WHEREAS**, the abatement of property taxes, when offered to attract primary jobs in industries which bring in money from outside a community instead of merely re-circulating dollars within a community, has been shown to be an effective method of enhancing and diversifying an area economy; and

**WHEREAS**, effective September 1, 1987, Texas law requires an eligible taxing jurisdiction to establish guidelines and criteria as to eligibility for tax abatement agreements prior to granting of any future tax abatement, said guidelines and criteria to be unchanged for a two-year period unless amended by a three-fourths vote of the participating governing body; and

**WHEREAS**, on December 10, 2013, Commissioners Court passed a Resolution re-adopting the guidelines and criteria for granting tax abatement in a re-investment zone created in the county; and

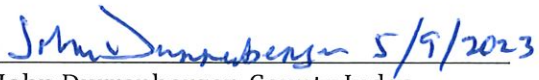

**WHEREAS**, on December 19, 2017, Commissioners Court passed a Resolution re-adopting the guidelines and criteria for granting tax abatement in a re-investment zone created in the county; and

**WHEREAS**, on September 15, 2020, Commissioners Court passed a Resolution re-adopting the guidelines and criteria for granting tax abatement in a re-investment zone created in the county; and

**WHEREAS**, these guidelines and criteria shall not be construed as implying or suggesting that Washington County is under any obligation to provide tax abatement or other incentive to any applicant and all applicants shall be considered on a case by case basis,

**NOW, THEREFORE, BE IT RESOLVED** that the undersigned does hereby re-adopt the attached guidelines and criteria for granting tax abatement in reinvestment zones in Washington County styled as "Policy Statement on Property Tax Phase-in Incentive for Selected Commercial Enterprises", as amended and incorporated herein by reference and effective May 9, 2023.

APPROVED this the 9<sup>th</sup> day of May, 2023.

**POLICY STATEMENT ON PROPERTY TAX PHASE-IN INCENTIVE  
FOR SELECTED COMMERCIAL ENTERPRISES**

Policy Adoption Date: May 9, 2023

**I. PURPOSE**

The City of Brenham, hereinafter referred to as "the City," is committed to the promotion of high quality development in all parts of the community and to improving the quality of life for its citizens. In order to help meet these goals and to stimulate economic development, the City will consider providing incentives that include, but are not limited to, the property Tax Phase-In incentive, in accordance with the procedures, criteria and guidelines set forth in this Policy and as provided by Chapter 312 of the Texas Tax Code. Nothing in this Policy shall imply or suggest that the City is under any obligation to provide any incentives to any applicant. Each application for the Tax Phase-In incentive under this Policy shall be considered on an individual basis.

**II. DEFINITION OF TAX PHASE-IN INCENTIVE**

Tax Phase-In incentive, as referred to in this Policy, means the partial, temporary exemption from ad valorem taxes on certain qualifying property in a Reinvestment Zone designated by the City or County for economic development purposes. Only ad valorem (property) taxes are eligible for the incentive. Brenham ISD and Blinn College taxes are required to be paid in full at all times.

The attached Glossary is a list of words with their definitions that are found in this document, and the Glossary is incorporated herein by reference.

**III. GUIDELINES AND CRITERIA**

In order to be eligible for property Tax Phase-In incentive, the planned improvement at a minimum must:

- (a) Be a facility used or to be used by a Primary Jobs Employer according to Exhibit A (except for a location in the Downtown Zone).
- (b) The project must add new value to the tax roll of eligible property: a minimum of \$300,000 for a business new to Brenham or \$150,000 for an existing local business. For development in the Downtown Zone, a National Register Historic District, the added value must be a minimum of \$50,000. This is to help maintain the economic viability of the central business district.
- (c) The applicant must maintain or create within the first year and throughout the Tax Phase- In incentive period a minimum of ten (10) jobs at an average salary of \$36,000/year or higher, including any benefits (except for a location in the Downtown Zone).

In consideration of the request for the Tax Phase-In incentive, the following factors will also be considered:

- (1) Jobs The projected new jobs created including the number of jobs, the type of jobs and the average salary per job class.
- (2) Fiscal Impact The amount of real and personal property value that will be added to the tax roll for both eligible and ineligible property, the amount of direct sales tax that may be generated, any infrastructure improvements by the City that will be required by the facility, the infrastructure improvements made by the facility, and the compatibility of the project with the City's master plan for development.
- (3) Valuation at Termination of Tax Phase-In Incentive Period The estimated fair market value, valued at the end of incentive period, of any equipment included in the Tax Phase-In incentive. The economic life of the added-value property must exceed the duration of the granted Tax Phase-In incentive period.

(4) Community Impact

The pollution, if any, as well as other negative environmental impacts affecting the health and safety of the community that will be created by the project;

The revitalization of a depressed area;

The business opportunities of existing local businesses;

The alternative development possibilities for proposed site;

The impact on other taxing entities;

Whether the improvement is expected to solely or primarily have the effect of transferring employment from one part of Washington County to another; and/or,

Whether the product manufactured or service provided by the business competes to a substantial degree with an existing business.

#### **IV. TAX PHASE-IN INCENTIVE AUTHORIZED**

- (a) Authorized Date A facility shall be eligible for the Tax Phase-In incentive if it has applied for the incentive prior to the commencement of construction and meets the guidelines and criteria under this Policy.
- (b) Creation of New Value Tax Phase-In incentive may only be granted for the additional value of eligible property improvements made subsequent to the filing of an application for the Tax Phase-In incentive and specified in the Tax Phase-In incentive agreement between the City and the property owner and/or lessee, subject to such limitations as the guidelines and criteria may require.

- (c) New and Existing Facilities Tax Phase-In incentive may be granted for new facilities and improvements and for the expansion or modernization of existing facilities and improvements. If the modernization project includes facility replacement, the Tax Phase-In incentive value shall be the tax- appraised value of the new unit(s) less the value of the old unit(s).
- (d) Eligible Property Except as otherwise provided in this policy, the Tax Phase-In incentive may be extended to the value of buildings, structures, fixed machinery and equipment, site improvements plus that office space and related fixed improvements necessary or convenient to the operation and administration of the facility.
- (e) Ineligible Property The following types of property shall be fully taxable and ineligible for property Tax Phase-In incentives:
- land,
  - animals,
  - inventories,
  - supplies,
  - tools,
  - furnishings and other forms of movable personal property,
  - vehicles,
  - vessels,
  - aircraft,
  - housing or residential property (except for property owners in the Downtown Zone),
  - hotels/motels,
  - fauna,
  - flora,
  - retail facilities (except for property owners in the Downtown Zone),
  - deferred maintenance investments,
  - property to be rented or leased except as provided in Part IV (f),
  - improvements for the generation or transmission of electrical energy not wholly consumed by a new facility or expansion,
  - any improvements including those to produce, store or distribute natural gas or fluids that are not integral to the operation of the facility, or
  - property owned or used by the State of Texas or its political subdivisions or by any organization owned, operated or directed by a political subdivision of the State of Texas.
- (f) Owned/Leased Facilities If a leased facility is granted the Tax Phase-In incentive, the agreement shall be executed with the lessor and the lessee and the new value investment shall be combined to calculate the total new value investment. If the lessee removes or reduces its new value investment to the detriment of the lessor, the lessor may annually elect to extend its Tax Phase-In incentive to obtain a replacement lessee. The lessor may obtain the full benefit of the remaining Tax Phase-In incentive period by resuming the Tax Phase-In incentive with the combined value of the replacement lessee by disregarding the Tax Phase-In incentive extension term. The lessor shall not receive any Tax Phase-In incentive during any year where a Tax Phase- In incentive extension has been elected. The Tax Phase-In incentive period, including any extensions, shall never exceed a total of ten years as provided by state law. The replacement lessee may apply for its own Tax Phase-In incentive based solely on its new value investment.

- (g) Value and Term of Tax Phase-In incentive Tax Phase-In incentives shall commence with the January 1 valuation date immediately following the occupancy of the property qualifying for the Tax Phase-In incentive unless otherwise specified by the City. The value of new eligible properties shall be abated according to the approved agreement between applicant and the City. The City, in its sole discretion, shall determine the amount of any Tax Phase-In incentive. The Table 1 and Table 2 Tax Phase-In incentive Schedules - Exhibit "B", Table 3 in a Downtown Zone (map Exhibit "C"), incorporated herein by reference, shall be the maximum Tax Phase-In incentive available based on total new value investment or added employment for each year during the Tax Phase-In incentive term, whichever is greater.

The total amount of eligible property improvements and jobs created and retained are based on projected property improvements and personnel employed. However, the actual amount of tax phase-in incentives shall be determined annually by Table 1 and Table 2 in Exhibit B based on the actual eligible improvements and the actual number of employees, unless located in a Downtown Zone, in which the total amount of abatement will be derived from Table 3.

If an Existing Local Business has ten to forty-nine (10-49) employees for their base year employment, then the total abatement levels shall be determined from Levels 1-4 in Table 2 of Exhibit B. If an Existing Local Business has fifty (50) or more employees for their base year employment, then the following abatement levels shall be determined from Table 2 in Exhibit B:

- Level 5 – if base year employment is at least 90% for that calendar year
- Level 4 – if base year employment is at least 80% for that calendar year
- Level 3 – if base year employment is at least 70% for that calendar year
- Level 2 – if base year employment is at least 60% for that calendar year
- Level 1 – if base year employment is at least 50% for that calendar year

- (h) Downtown Zone A Tax Phase-In incentive zone within the designated downtown area in the attached Exhibit C, incorporated herein by reference, and any tracts or parcels contiguous to a tract in Exhibit C under common ownership. Tax Phase-In incentive in a Downtown Zone shall receive approval for building plans and specifications by the Main Street Board as a condition of receiving the Tax Phase-In incentive.

- (i) Taxability From the execution of the Tax Phase-In incentive contract to the end of the agreement period, taxes shall be payable as follows:

- (1) The value of ineligible property as provided in Part IV (e) shall be fully taxable.
- (2) The base year value of existing eligible property as determined each year shall be fully taxable.
- (3) The additional value of new eligible property shall be taxable in the manner described in Part IV (g).

- (e) A request for designation of an area as a Reinvestment Zone for the purpose of receiving the Tax Phase-In incentive shall not be granted if the jurisdiction receiving the application finds that the request for the Tax Phase-In incentive was filed after the commencement of construction or installation of improvements related to a proposed modernization expansion or new facility began.

## **VI. PUBLIC HEARING**

- (a) Should the City be able to show cause in the public hearing why the granting of a designation of an area as a Reinvestment Zone for the Tax Phase-In incentive will have a substantial adverse effect on its bonds, service capacity or the provision of service, that showing shall be reason for the City to deny the granting of the application.
- (b) Neither a Reinvestment Zone nor a property Tax Phase-In incentive agreement shall be authorized if it is determined that:
  - (1) There would be a substantial adverse effect on the provision of a government service or tax base of the City.
  - (2) The applicant has insufficient financial capacity
  - (3) Planned or potential use of the property would constitute a hazard to public safety, health or morals.

- (c) The City shall make its own determination of the property Tax Phase-In incentive which shall not bind any other jurisdiction.

## **VIII. ADMINISTRATION**

Failure to provide the required documents in the manner outlined herein shall result in termination of the Tax Phase-In incentive agreement.

The terms of the agreement shall include the right of the City to review and verify the applicant's employment records and payroll records in each year during the term of the agreement, and to conduct an on-site inspection of the project in each year during the duration of the Tax Phase-In incentive, and to review such other items as may be reasonable to verify compliance with the terms of the agreement.

The agreement shall stipulate that employees and/or designated representatives of the City will have access to the Reinvestment Zone during the term of the Tax Phase-In incentive to inspect the facility to determine compliance with the terms and conditions of the agreement. All inspections will be made only after the giving of twenty-four (24) hours prior notice and will be conducted in such manner as to not unreasonably interfere with the construction and/or operation the facility. In the event that the company or individual:

- (1) allows its ad valorem taxes owed the City to become delinquent and fails to timely and properly follow the legal procedures for their protest and/or contest; or
- (2) does not create jobs as outlined in the agreement; or
- (3) if an Existing Local Business falls below fifty percent (50%) of their base year employment number; or
- (3) violates any of the terms and conditions of the Tax Phase-In incentive agreement and fails to cure same during the Cure Period; or
- (4) if the facility is completed and begins producing product or service, but subsequently discontinues producing product or service for any reason excepting fire, explosion or other casualty or accident or natural disaster, for a period of more than one (1) year during the Tax Phase-In incentive period;

then the agreement shall terminate and so shall the Tax Phase-In incentive of taxes for the calendar year during which the agreement is terminated. The taxes otherwise abated for that calendar year shall be paid to the City within sixty (60) days from the date of termination.
